

Tahoe Rim Trail 165 Mile Club Application

The Tahoe Rim Trail Association (TRTA) congratulates you on completing the Tahoe Rim Trail (TRT), and welcomes you into the 165 Mile Club! No matter how you completed the trail or how long it took, we welcome you to our family.

We operate on an honor system, assuming that, if you apply to join the 165 Mile Club, you have completed the entire journey around the Tahoe Rim Trail. The TRTA holds high expectations of 165 Mile Club members that includes following Leave No Trace wilderness ethics by treating the natural environment and other trail users with kindness and respect. In order to promote and inspire that same respect in all TRT users and maintain the integrity of the TRT, admission to the 165 Mile Club requires a current TRTA membership. Join or renew today online by visiting www.tahoerimtrail.org.

- I verify that I have completed the entire TRT to the standards above.
- I verify that I am a current TRTA member, or am joining/renewing as a member today.
- I had an AMAZING time on the trail, and I would love to donate to the TRTA to support trail efforts.
